**IT ADDS UP**

My last accident cost \$4,000 for our repairs and \$7,000 to fix the other car... \$11,000!

The accident that costs the least is the one that is prevented. TAPTCO's course is only \$6,000 and will reduce accidents up to 50% - Do the math! [www.TAPTCO.com](http://www.TAPTCO.com)

Subjects highlighted in red are the subjects we recommend for existing drivers
