The course explains why people have accidents and how leaders can prevent them from happening. Leaders establish and maintain norms, the accepted way of behaving in any situation. By creating safety norms, leaders are able to influence the behavior of their employees to achieve better results.

Every manager and supervisor will benefit from this course.

The course covers these five areas:

- Accidents and Why People Have Them
- Understanding Human Behavior
- Leadership Principles
- Leadership Techniques
- Behavior-Based Safety

COURSE INCLUDES

The Driver Training Course is a complete professional bus driver curriculum. Using a blended approach to adult learning, the course includes:

- ▶ Guide To Create The Safest NORMS
- ▶ Study Guide
